Registration for google.meet Conferences ends at 02:55 p.m. Be on time. The Dean of the Faculty of Medicine 2 informs that during the examination it is allowed to take the historical examinations **only** for students of the **graduate** years from all curricula. Follow the information on the website of the Department of Surgery 2.

Modalities of the Examination:

According DISPOSITION no.04 from 01.03.2021«Regarding the carrying out of the educational process between March 1-15, academic year 2020-2021, organization and development of the semester/modular assessments»:

1. **Oral examination** - oral answer based on the tickets approved according to the EC form 8.5.1 Examination card;
2. **Practical skills stage**, as appropriate - based on case studies, diagnostic algorithms and therapeutic conduct;
3. **Test component**, if possible – using the Moodle or Google Forms platform. If it is not possible to perform the test component, the grade at this stage will be calculated as the arithmetic average of the grades from the oral answer, practical skills (as appropriate) and the annual average, in accordance with the established grading system.

NB. According to the decision of the Surgical Department №2, the test component will be calculated as the arithmetic average of the grades from the oral answer, practical skills and the annual average.

With best wishes,

Head of the Department of Surgery 2, Professor **Adrian Hotineanu**
Chief of Studies for International Students, Ass. Prof. **Toader Timis**
